TRƯƠNG MINH PHÁT

Software Engineer Intern

(+84) 933-756-220 | tmphat1312@gmail.com | linkedin.com/in/tmphat132 | github.com/tmphat1312

EDUCATION

University Of Science – VNUHCM   Expected Graduation in 2025

B.S in Information Technology, Major in Software Engineering   Current GPA: 3.79/4.0

- Relevant Courses: Web Application Development, Software Design, Object-Oriented Programming, Database, Data Structure and Algorithms, Computer Systems, Computer Networking, Discrete Maths, DBMS.
- Awards and Honors: Faculty of Information Technology Dean's List 2022 – 2023, Academic Encouragement Scholarships (3rd and 5th semesters).

PROJECTS

Thích Đọc Truyện – Text novel and story reading web application   **04/2024 – 06/2024**

Next.JS, React, Typescript, TailwindCSS, SWR, Docker, Vitest, Playwright, Spring Boot

- Developed the UI of the application using Next.js and relevant libraries
- Provided UX solutions for the application
- Preserved the development progress throughout 2 months and resolve conflict among team members
- Collaborated with backend fellows to design RESTful API and data models with dedicated documentation
- Wrote unit/integration and e2e tests for core functionalities of the application

HCMUS Canteen – Canteen ordering and inventory management web application   **11/2023 – 01/2024**

React, VN Pay, Styled Component, React Query, MongoDB, Express.JS

- Developed the UI of the application using React
- Optimized UX via caching and prefetching for the web application
- Integrated VN Pay online payment to the ordering process
- Composed technical documentation (project proposal, team contract, requirements) for the project

COMPETENCIES

- Technical: SDLC (Software Development Life Cycle), Agile Development
- Interpersonal: Teamwork, Leadership
- Cognitive: Creativity, Hard-working, Adaptability

TECHNICAL SKILLS

- Languages: HTML/CSS, JavaScript (TypeScript), Python, C#, SQL
- Libraries and Frameworks: React, Next.JS, TailwindCSS, Bootstrap 5, Express.JS, Vitest, Playwright
- Devtools: Git, GitHub, Docker, VS Code

LANGUAGES

- English: Professional proficiency (TOEIC Listening and Reading Test score of 970/990)
